

## Rodney Hare | Senior Accountant

+44 (0)20 7851 8888  
RHare@jha.com

### PROFILE

Rodney joined JHA in 2019 and is a Senior Commercial Accountant with technology-related operational experience. He has been a qualified Chartered Accountant for 35 years and has deep industry experience, becoming Group Managing Director of a UK FT350 company in 1996. He has extensive project management and business development skills, especially regarding growth, transformation and business expansion.

Due to the senior management positions Rodney has held at both publicly listed companies and start-ups, he has significant entrepreneurial and strategic skills relating to fast-growth organisation and extensive knowledge of publishing, international licensing, direct to consumer selling and digital marketing.

Rodney is skilled in international business in Europe, USA, Russia, India, and Australia. His leadership skills focus on building performance teams using a collaborative approach with a high level of communication.
